TRAVEL-WELL

THE ART OF THE JOURNEY

We focus on travel that is unique and unforgettable. We are naturally drawn to interesting places and drawn away from places that are overrun by crowds. We do not do any business with cruise ships or all-inclusive resorts. You could say that we are compelled to design interesting active and adventure luxury travel for interesting people who are interested.

Every trip we do is personally designed by myself or my team and signed off by me. I personally craft itineraries that are filled with small moments and sometimes large gestures. But each day will have time and space to breathe, so that serendipity can visit. So that you may find the sun rise and see the live music and swim to the outer reef. We encourage our clients to get outside their comfort zone, to see what is around the corner, and to learn from the locals. If you are looking for something more independent, at a better standard, that comes from a unique and new perspective- then you will want to Travel-Well.

WHY TRAVEL-WELL

WE GUIDE YOU ON UNIQUE AND UNFORGETTABLE ACTIVE AND ADVENTURE TRAVEL.... AWAY FROM THE GROUPS!

Every flight, hotel confirmation, dinner reservation, spa appointment, insurance binder is easily and beautifully laid out so that your trip is in the palm of your hand. No more shuffling through emails or paper confirmations. This is a game changer.
